

Degree Foundation Programme (DFP)

EASB Degree Foundation Programme (DFP) is an accredited University Foundation program recognized by all its University partners. It provides students a university entrance qualification and a solid preparation, which guarantees exceptional success for their undergraduate studies. The course is designed to provide students with a basic understanding of Accounting, Economics, Management, Mathematics and Statistics.

Students who successfully completed the EASB DFP program are guaranteed a place in any of EASB's partner university degree programs (1st year).

The Degree Foundation Programme (DFP) is a pre-degree preparatory program that equips students for entry into their desired degree program. DFP is also known as Certificate in Business Management.
