

BSc (HONS) in MEDICAL BIOSCIENCE (TOP-UP)

The BSc Medical Bioscience offers professionals to cope with a dynamic and changing field because of the rapid advancement in science, medicine and healthcare. The BSc (Hons) Medical Bioscience applies biological science to medicine and encompasses multiple areas of scientific study including living organisms, life cycles, adaptations and environment.

This course equips students with the training and professional skills and technical knowledge necessary for suitable career advancement in medical bioscience. The programme is accredited by the Royal Society of Biology (RSB) which has a solid academic foundation in biological knowledge and key skills, preparing graduates to address the needs of employers. Students will gain innovative knowledge in fields such as Human Physiology, Cell Biology, Molecular Biology, Medical Bioscience Key Skills, Immunology, Endocrinology, Medical Biochemistry, Metabolism, Molecular Pathology, Cellular Pathology, Molecular Genetics, Microbiology, Clinical Microbiology and Infectious Disease, Medical Bioscience Research Project, Applied Molecular Biology, Biological Basis of Human Disease, Biomedical Technology, Advanced Immunology and Clinical Haematology and Transfusion Sciences.

MODULES

- » *Human Physiology*
- » *Cell Biology*
- » *Molecular Biology*
- » *Medical Bioscience Key Skills*
- » *Immunology*
- » *Endocrinology*
- » *Medical Biochemistry*
- » *Metabolism*
- » *Molecular Pathology*
- » *Cellular Pathology*
- » *Molecular Genetics*
- » *Microbiology*
- » *Clinical Microbiology and Infectious Disease*
 - *A. Clinical Microbiology and Infectious Disease*
 - *B. Food Microbiology*
- » *Medical Bioscience Research Project*
- » *Applied Molecular Biology*
- » *Biological Basis of Human Disease*
- » *Biomedical Technology*
- » *Advanced Immunology*
- » *Clinical Haematology and Transfusion Sciences*

East Asia Institute of Management
9 Ah Hood Road, Singapore 329975

T: (65) 6252 5500 E: enquiries@easb.edu.sg

CPE Reg No.: 200101029C • Validity: 20-05-2018 to 19-05-2022

ENTRY REQUIREMENTS

Bachelor of Science (Honours) in Medical Bioscience (Top-up) (Duration: 18 months Part-time)

Singaporean / PR

- Diploma in Biomedical Science or related Life Sciences from the polytechnics in Singapore AND
- English Language Proficiency: Minimum EAIM ETEDP Level 3 / IELTS 6.5 with a minimum score of 6.0 in each component

TEACHER-STUDENT RATIO - 1 : 25*

*Start of class is subjected to minimum class size achieved

COURSE FEE

	Singaporean / PR (Part-time)
› Tuition Fee	\$14,800
› Assessment Fee	\$1,600
› Administration Fee	\$500
› Material Fee	\$600
» Total Course Fee	\$17,500
› Application Fee	\$150
» Total Fee	\$17,650

- Application and Enrolment Fee is non-refundable.
- All prices are subjected to prevailing Goods & Services Tax (GST) of 7%.
- All prices are effective for intakes from Nov 2019.
- Start of class is subjected to minimum class size achieved.

OTHER FEES

Medical Insurance	Waived
FPS Insurance	Waived

ASSESSMENT

- Mid - Sessional Test/ Course work Test conducted in Virtual Learning Environment
- End of Module Examination.- Closed Book Examination

INTAKES JAN / APR / JUL / SEP

PRIVATE EDUCATION ACT & EDUTRUST

East Asia Institute of Management has appointed Lonpac Insurance Bhd to be the provider of Fee Protection Scheme (FPS) for the protection of total course fees paid by all students. East Asia Institute of Management has adopted the standard PEI-Student contract. In compliance with FPS, East Asia Institute of Management collects course fees up to twelve (12) months at any one time. For more information on EduTrust for Education, please visit our website at www.eaim.edu.sg. Alternatively, you can visit the official CPE website at www.ssg-wsg.gov.sg
